

# Get started with Authy App (Android/iOS)

To increase the general security of your account, you may register with Authy as a Two-Factor authentication (2FA) when you login to your WorldFirst account.

## 1 Download the Authy App on your mobile

Via <https://authy.com/download/> or on Google Play Store/ Apple App Store

## 2 Set up Authy

You'll be prompted to enter your phone number and country code

**!** Note: Use the same mobile number as associated with your WorldFirst account  
Enter your preferred email address and click "OK"

**Set Up**

Let's turn this device into a secure token

ENTER YOUR AUTHY CELLPHONE

+65

ENTER YOUR EMAIL

Email Address

OK

## 3 Select your notification preference to verify account

You will be asked whether you wish to verify via phone call or SMS. Select your preference and continue with on screen instructions.

If you have selected "Phone Call" the registration code will be provided via phone call.

If you selected "SMS" the registration code will be provided via SMS.

**Set Up**
